SOLAR synergy

SPORTS DRINK™

Sun to Earth Energy

14.8 oz (420 g)
Dietary Supplement

Solar Synergy™ is your answer to a
saturated market of unhealthy and
overprocessed sports drinks.

Solar Synergy™ combines the best in goat
milk minerals with the worlds most powerful
botanical superfoods.

Solar Synergy™ is comprised of 9 synergistic
(working together) superfoods which jointly
pack an unbeatable antioxidant punch that
neutralizes dangerous free radicals and keeps
you feeling great!

Solar Synergy™ contains over 20 bio-organic
minerals and electrolytes extracted from fresh
goat's milk. With a healthy 3:1 ratio of
potassium to sodium, this sports drink is the
perfect alternative to most recovery liquids
which invert this ratio loading up with
synthetic sodium (salt) and very little
potassium.

The proprietary combination of both simple
wholefoods and powerful botanicals is sure to
give any athlete, hiker, runner, or cyclist a
nutritionally superior edge over traditional
and unhealthy sugared sports drinks.
