Could joint comfort benefit your active lifestyle?

If so, you are not alone. Less than optimal joint health, is for many of us, a natural part of the aging process. In addition, repetitive strenuous joint activity, body weight and genetics have all been known to keep you from optimal joint health.

Ultra Flex Gold™ is an excellent solution to support joint comfort and mobility*

Directions: For best results this product needs to be taken consistently at the recommended dose. For the first seven days, adults take three capsules twice a day with a meal and a full glass of water (Six capsules daily). After the seven days loading phase, adults take three capsules once daily with a meal and a full glass of water.
