GAMMADYN™ Mn-Co
 Manganese-Cobalt
 Oligo-Element Supplement

30 Ampoules

Recommended Dose:

Adults (19 years and older): Take one ampoule one to two times daily, or as recommended by your healthcare practitioner. Squeeze contents directly into mouth. Use for one to two months, or as recommended by your healthcare practitioner.

Risk Information: If symptoms persist or worsen, consult your healthcare practitioner. If you have iodine deficiency; or if you have tuberculosis or a history of tuberculosis, do not use. If you are pregnant or breastfeeding, do not use, unless directed by your healthcare practitioner. If you are taking vitamin B12 supplementation, consult your healthcare practitioner prior to use. If gastrointestinal upset and/or skin rashes occur, discontinue use and consult your healthcare practitioner.
