

DHT Blocker Hair Regrowth Formula For Men and Women¹

Shen Min[®] DHT Blocker is a natural supplement formulated to inhibit DHT (dihydrotestosterone) - one of the primary causes of hair loss in both men and women. As we age, DHT builds up on the scalp and damages the hair producing follicles, which eventually die. By combining a powerful proprietary blend of natural DHT blockers and other key nutrients, Shen Min[®] DHT Blocker helps to nourish and support hair growth in men and women, naturally!¹

Shen Min[®] DHT Blocker works in 3 ways:

- 1.) DHT Inhibition - Saw palmetto, phytosterols and He Shou Wu help to lower the level of DHT in the body.¹
- 2.) Antioxidant protection - Selenium and quercetin help neutralize excess free radicals, helping to reduce cellular damage.¹
- 3.) Key Nutrients - Isoflavone and Zinc help to maintain healthy hormone levels in men and women.¹

The benefit is thicker, fuller, healthier hair for men and women!¹

Shen Min[®]...Promotes Healthy Hair... Naturally!¹

Best when used in conjunction with Shen Min[®] Advanced Men's Formula or Shen Min[®] Advanced Women's Formula and Shen Min[®] Topical for a complete hair regrowth system.
