

MRM Kids, the simple way to give your kids a healthy foundation to last a lifetime. **Attention!® Softgels** is designed to enhance brain function and neural networking.** By using concentrated fish oil containing 50% Docosahexaenoic Acid (DHA) and a concentrated phospholipid complex containing 20% phosphatidylserine (PS) and choline, this formula helps replenish vital lipids, which make up much of the brain's composition.** The amino acids, L-Tyrosine and L-Glutamic Acid, as well as neuro-nutrients, Dimethylaminoethanol (DMAE) and Inositol, have shown benefit to neurotransmitter function.**

Contains **NO** added milk, egg, peanut, tree nut, shellfish, wheat, gluten or yeast ingredients.
