

Cultured in Fresh Goats Milk

### Suggested Directions:

Take two capsules two times a day with six to eight ounces of water or juice. Advanced usage three capsules three times a day. May be taken with or without food.

Caprobiotics™ Advanced is a natural probiotic blend of 6 strains of beneficial bacteria cultured in fresh goats milk.

Caprobiotics™ Advanced contains naturally occurring proteins, enzymes and minerals from predigested goats milk.

### No Refrigeration Required.

Store at room temperature.

Do not expose to direct sunlight.
