

SUGGESTED USE: As a dietary supplement, take five (5) capsules before bed, with a full glass of water. Take for five days, then rest two days. Most effective when taken on an empty stomach one hour before bedtime. Take for three months, then rest for two months before resuming.

WARNING: Do not use if you are taking Monoamine Oxidase (MAO) Inhibitors. Not recommended for pregnant or lactating women. For adult use only at bedtime. If you are taking medication or have a medical condition, consult a physician before using this product. Do not use if you have breast, uterine, ovarian or prostate problems or autoimmune conditions or depressive disorders. Do not use in conjunction with alcoholic beverages, when driving a vehicle, or while operating machinery.
