

When you work hard and play harder...you know how important it is to give your joints and muscles the nutrients they crave.

The right nutritional support can make all the difference — on the field or court, in your daily activities, or wherever you need your body to give 100%. That's why we created Osteo Bi-Flex® edge Joint & Muscle, formulated with Joint Shield™ to provide nourishment for your joints and cartilage. These tablets also contain Co Q-10, which is naturally produced in the body where its normal role is to help produce energy within muscles, and is ideal for those who demand nothing but the best from their bodies.* Now you can take your body to its edge, with Osteo Bi-Flex® edge Joint & Muscle.*

Osteo Bi-Flex® edge is manufactured under the highest standards for product quality, purity and potency.
