PRODUCT BENEFITS: This product contains three top supplements for joints. Glucosamine and Chondroitin work together to support chondrocytes and promote cartilage and joint health.* Chondroitin also acts to lubricate joints.* MSM provides the raw material, sulfur, to nourish the cartilage matrix.* The dosage in this product is the most popular for supporting flexibility, mobility and joint comfort.*

Directions: For adults, take three (3) tablets daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing or taking any medications, including blood thinners, or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Individual results may vary.
