

PRODUCT BENEFITS: Potassium is an essential mineral needed by the body. It works with sodium to regulate the body's water balance.* In addition, Potassium promotes fluid balance between the cells and body fluids and aids in the mineral balance of the blood.* Potassium is also essential for nerve transmission, muscle activity and carbohydrate and protein metabolism.*

Directions: For adults, take one (1) tablet daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
