

PRODUCT BENEFITS: Most probiotics work best in the intestinal tract and must get past the harsh, acidic environment of the stomach. Probi® 30 Billion is formulated to survive stomach acid so it's delivered directly into the intestinal tract to help populate your system with beneficial microflora.*

Probi® 30 Billion offers *L. plantarum* 299v (Lp299v®), a strain clinically studied, substantiated, and documented. With 30 billion live, active organisms through expiration, this high dosage formula provides integrated bowel support to address occasional gas and bloating, promote ongoing digestive health, and support daily abdominal comfort.*

Directions: For adults, take one (1) capsule daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
