

Do you experience occasional blue mood, feelings of transitory stress, or problems sleeping? If you suffer from any of these, Positelle™ can help you address all three legs of the mood triangle:

- **Safely uplifts the mood.*** Every ingredient in Positelle has been clinically validated to promote a positive mood.* Helping to support healthy levels of serotonin,* Venetron® has some of the same constituents as St. John's wort but stands out with its excellent safety profile.
- **Promotes feelings of calm.*** Rhodiola has been shown to decrease levels of the stress hormone cortisol, while lavender oil may help balance levels of mood-regulating neurotransmitters.*
- **Encourages restful sleep.*** Clinical research has found that Venetron aids falling asleep, while lavender oil supports longer, deeper sleep.*

Quatrefolic® is a registered trademark of Gnosis S.p.A. is protected by U.S. Patent No. 7,947,662.

Venetron® is a registered trademark of Tokiwa Phytochemical Co., Ltd.
