Suggested Usage: Take 1 capsule daily.

Vitamin C is an essential nutrient well known for its vital role in the immune system.* It is a highly effective antioxidant that can protect the body's structures from oxidative damage generated during normal metabolism.* Vitamin C is also necessary for the production of collagen and is therefore important for skin, bone, and joint health.* This product includes Bioflavonoids, which work synergistically to support Vitamin C utilization.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.
