

General Health

Family owned since 1968.

Suggested Usage: Take 1 capsule 1 to 3 times daily, preferably with food.

NOW® Phosphatidyl Serine is a phospholipid compound derived from soy lecithin that plays an essential role in cell membrane composition and intercellular communication.* Phosphatidyl Serine is a major structural component of neural membranes where it assists in the conduction of electrical impulses and facilitates the activity of neurotransmitters involved in learning, memory, and mood.* These properties make NOW® Phosphatidyl Serine an ideal supplement for the support of cognitive function.*
