

Joint Rite's unique and powerful formulation combines SAME with other cutting edge ingredients to help rejuvenate joints and cartilage while enhancing joint lubrication for the ultimate in joint comfort and overall bone health.*

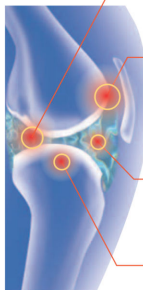

SAME is THE time proven supplement for joint health. Clinical studies, involving thousands of participants, indicate the many benefits SAME has to offer, which can include: production of proteoglycans essential to joint lubrication, maintaining youthful spring of joints, and promoting overall joint comfort.*

Glucosamine may help produce glycoaminoglycans, molecules essential for cartilage and connective tissue support, and is considered critical for optimal joint mobility and flexibility.*

Hyaluronic Acid is an essential building block in joint fluid, which lubricates the joints and acts as a shock absorber by cushioning the joint.*

Vitamin D3 promotes the absorption of calcium essential to bone health.*
