

Triple Potency Liver™ contains 6000 mgs of the Highest Quality 100% Pure Argentine Beef Liver, which is Hormone-Free and Defatted. For decades, Triple Potency Liver™ has played an important role in the supplement regimens of many athletes, bodybuilders, and those seeking to add extra high quality complete protein/amino acids and important nutrients to their diet. Triple Potency Liver™ is an excellent source of naturally occurring vitamins, minerals, and other nutrients.

Triple Potency Liver™ is produced under low heat to help preserve the extensive nutrient profile, and contains NO added hormones. It is also important to note that Triple Potency Liver™ contains no fillers (such as whey, gelatin, or collagen) as seen in competing brands, and is triple the potency of other liver tablets at a very affordable price.

AMINO ACID PROFILE

Typical Analysis, mgs per 100g of protein

Ingredients: Desiccated Defatted Beef Liver Extract (made from Hormone Free Argentine Beef), Vitamin B-12 (as Cyanocobalamin), Microcrystalline Cellulose, Glucose Polymers, Dicalcium Phosphate, Stearic Acid, Magnesium Stearate, Silica, Food Glaze, Beeswax.

Suggested Use: As a dietary supplement, beginner or intermediate athletes should take 1 serving (4 tablets) daily. Advanced athletes should take 1-2 servings (4-8 tablets) daily. Best when taken between meals or after workouts to help maintain a positive nitrogen balance and anabolic activity. As a reminder, it is always recommended to check with your physician before taking any dietary supplements, changing your diet, or starting an exercise program, especially if you are pregnant, nursing, taking any medications, or have a medical condition. This product is formulated for adults, **KEEP OUT OF THE REACH OF CHILDREN.** Store in a cool, dry place. Do not refrigerate. If this product or any product does not agree with you, stop taking them. This is a natural product and the appearance may vary. A proper diet and exercise program are essential for reaching your training goals.
