

Take the Pure Advantage™

Suggested Use: As a dietary supplement, take (4) capsules daily or as directed by a health professional.

With intense training and continuous shock loads on the joints, it's important to keep your joints healthy so you can continue to train hard. Aid 4 Joints contains the key ingredients that have been proven effective for joint health and recovery.

- Promotes healthy tendons & ligaments
- Contains MicroLactin® that enhances and supports joint function
- Promotes flexibility for bending and stretching
- Contains the cartilage rebuilding benefits of Glucosamine.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
