ENDURE is a special blend of essential electrolytes your body needs to perform at optimum levels of energy, stamina, and hydration during competition or any strenuous activity.† Proper hydration helps to reduce the incidence of muscle cramping and fatigue so you can endure longer.† Plus it contains no sugar or additives to weigh you down. Get the edge you need to perform at your best with **ENDURE**.

Directions: Add **ENDURE** to water or any beverage or sports drink and shake well for an added boost of energy, stamina and hydration. The suggested use below provides optimum levels for taste and performance when mixed with pure water. Great for use in hydration packs—no cleanup required!

Suggested Use: Add 48 drops (½ tsp.) to 32 oz. of water (12 drops per 8 oz.; 2 tsp. per gallon) and shake well.

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
