

SUGGESTED USE: 3 softgels daily with meals.

Omega-3 fatty acids, EPA & DHA, have been shown to support healthy cardiovascular function.* Omega-3 fatty acids, in particular DHA, are important for visual and neuronal development.*

Derived by cold press processing, solely from health screened, fresh sardines, anchovies, salmon and herring. Harvested in strict accord with environmental guidelines. We begin with fish selected exclusively for human consumption, and add no artificial colors, flavors or preservatives.

Store in a cool, dry place, away from direct sunlight.

Packaged with safety seal.
