

Take the Pure Advantage™

Suggested Use On Training Days: As an adult dietary supplement, take 6 capsules on an empty stomach 30 to 60 minutes prior to exercise/athletic event. To achieve maximum results, always take on an empty stomach.

Suggested Use On Non-Training Days: As an adult dietary supplement, take the first 3 capsules in the morning upon arising, then take the final 3 capsules before lunch.

Important: To avoid sleeplessness, do not take within 4 hours of bedtime. Drink at least 1 gallon of water daily.

As a vasodilator, N.O.-Express has the ability to increase your body's ability to deliver blood to working muscles. With more blood, more oxygen and nutrients are able to reach the muscle tissue. The anti-catabolic properties of N.O.-Express can preserve muscle mass and may help:

- **Increase strength**
- **Increase muscle size**
- **Increase recovery time**
- **Increase endurance**
- **Decrease muscle catabolism**
- **Decrease fatigue**

Does not contain any dairy, egg, sugar, corn, yeast, wheat, soy, glutens, artificial colors, flavors or preservatives.

WARNING: Do not use if you are pregnant or nursing. Do not use if you are at risk or being treated for diabetes or low blood pressure.

These statements have not been evaluated by the Food and Drug Administration (FDA). This product is not intended to diagnose, treat, cure or prevent any disease.
