

SUGGESTED USAGE: Take 1 capsule twice daily, or as directed by your healthcare practitioner.

HOW IT WORKS: Herbal Menopause with EstroG-100® is a natural and clinically tested blend of pure water extracts from *Phlomis umbrosa*, *Cynanchum wilfordii*, and *Angelica gigas* Nakai. Recent clinical studies demonstrate that this patented herbal combination can alleviate symptoms of menopause and peri-menopause such as hot flashes, night sweats, nervousness, occasional sleeplessness, and difficulty in maintaining a positive mood.*† Herbal Menopause offers an excellent alternative to isoflavones and black cohosh.

† 50% of women experienced improvement in at least one menopausal symptom within 7 days of use, with 75% experiencing improvement in at least one menopausal symptom within 14 days.*

CAUTIONS/INTERACTIONS: Not for pregnant or lactating women. *Angelica gigas* Nakai could theoretically interact with NSAIDs. If you are taking anti-inflammatory medications, consult your healthcare practitioner before using this product.
