

Suggested Use: As a dietary supplement, take two (2) to four (4) capsules daily.

CAUTION: Do not exceed recommended dose. This product is not intended for persons with allergies to shellfish. Not to be used by pregnant or nursing mothers or children under the age of 18. If you have questions about the advisability of taking this product, consult your physician prior to use.

The coral mineral in this product is harvested from marine coral sand found on the ocean floor. No harm is caused to coral reefs. In fact, removal of the coral sand helps enhance further development of the reefs.
