Svetol® is a trademark of Naturex SA.

Green Coffee Bean Extract is a dietary supplement that provides 400 mg of Svetol® green coffee bean extract per serving. Unroasted, green coffee beans contain several polyphenols, most importantly chlorogenic acid and caffeoylquinic acid. These polyphenols help your body maintain healthy fat metabolism, which can also help maintain healthy body weight.* Svetol® has less than 2% caffeine content and is free of diterpenes.
