*Percent Daily Values (DV) are based on a 2,000 calorie diet.

**Daily Value (DV) not established.

Other Ingredients: Purified water, non-GMO vegetable glycerin (palm), phosphoric acid, natural orange vanilla flavor, citric acid, xanthum gum, potassium benzoate, potassium sorbate (for freshness).

Allergen Info: contains no known allergens. **GLUTEN FREE.**

Also contains over 72 naturally occurring ionic trace minerals found in seawater and coral calcium.

Liquid Coral Calcium Extra is a dietary supplement that provides a liquid form of coral calcium from **1,000 mg** of pure, ecologically safe coral calcium from Okinawa, Japan combined with over 72 naturally occurring ionic trace minerals from ConcenTrace®. This combination provides one of the best pH balanced coral calcium liquid formulas available with a great tasting natural orange-vanilla flavor.[†] In addition, we added vitamin D3, zinc, magnesium, selenium and boron to make it one of the most complete formulas available.[†]

Suggested Use: SHAKE WELL. Take 2 tablespoons straight or dilute in water or juice. Please take with meals or on a full stomach. **REFRIGERATE AFTER OPENING.**

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
