CONTROL YOUR HIGH

DO NOT USE IF
SEAL IS BROKEN

Real Science, Real Relief
CannaSafety has created a patent-pending formula made up of a synergistic blend of natural ingredients including CBD that have been scientifically shown to quickly and effectively relieve anxiety and sickness associated with consuming too much cannabis.

Suggested Use: Take one bottle of CannaRelief when you feel like you have had too much cannabis. CannaRelief does not erase your high, but will help you manage your experience. Shake well before use.

Do not take if you are pregnant or nursing. Not recommended for children. If you are taking medicine or have a medical condition, consult your doctor before use.
