

**Suggested Usage:** Take 2 capsules 20 minutes before meals, 2 to 3 times daily. Persons with sensitive stomachs may prefer to take capsules with food.

Quercetin is a naturally occurring free radical scavenger that supports healthy seasonal immune system function.\* Laboratory studies have demonstrated that Quercetin can also help to promote normal respiratory function.\* Bromelain supports a balanced immune system and may also help to maintain healthy sinus tissues.\* This complementary combination may thus promote year-round respiratory health and support overall seasonal comfort.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** For adults only. Do not use this product if you have a pineapple allergy. Consult physician if pregnant/nursing, taking medication (especially cyclosporine, blood pressure medications, and warfarin), or have a medical condition. Keep out of reach of children.
