MACACCINO DRINK MIX

Organic Traditions Macaccino is a delicious herbal superfood coffee substitute made from Organic Black, Red-Purple and Yellow Maca Roots, Cacao Powder and Coconut Palm Sugar. This incredible blend combines powerful organic superfoods into a nutritious and delicious beverage. Considered to be one of the Amazon's most important superfoods, Maca also known as "The Peruvian Ginseng" has traditionally been used as an adaptogen to promote optimal well being.* Combined with antioxidant rich cacao powder and the caramel taste of Coconut Palm sugar the result is a smooth flavor that is absolutely incredible.

How to Use: Create a delicious beverage by adding 1 tablespoon of Macaccino drink mix to every 4 oz. of hot water. Add a splash of Almond or Hemp Milk and a dash of cinnamon. Make a refreshing iced Macaccino or use as a base for energizing smoothies, ice creams or raw desserts. Make decadent truffle balls by mixing 1 tsp. to every 1 tsp. of Coconut Oil and ½ tsp. of your favorite nut butter. Add 2 tsp. of Organic Traditions Sprouted Chia Powder and roll into balls. Finish by dusting the balls with Organic Traditions Shredded Coconut or Cacao Powder and enjoy!
