

**Suggested Usage:** Take 2 tablets daily.

NOW® Extra Strength Glucosamine & Chondroitin combines two well-known joint support ingredients in their sulfate forms.\* Glucosamine is an essential building block for the formation of glycosaminoglycans (GAG's) and proteoglycans, the main components of cartilage tissue.\* Chondroitin Sulfate is a glycosaminoglycan that has been combined with Glucosamine in this product for the support of proper joint mobility and comfort.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Caution:** Persons with a known allergy to shellfish should not use this product. For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Due to the size of tablet, take with 8 oz. of water or other beverage.

Do Not Eat Freshness Packet. Keep in Bottle.

Natural color variation may occur in this product.

This extra strength product has twice the Glucosamine/Chondroitin (750 mg/600 mg per tablet) as in our regular strength product (375 mg/300 mg per capsule).
