

Maximum Strength 3-in-1 Carb Blocker®

This product has been specifically designed for those who eat pasta, bread and other carbohydrate-packed foods.* The triple-approach formula works to:

- **Neutralize Starch Enzymes:** White Kidney Bean is an all-natural, non-stimulant ingredient that neutralizes the negative effects of carbohydrates by inhibiting a portion of the body's amylase, the enzyme responsible for digesting starch.* This powerful plant extract works to decrease the number of starch-carbohydrate calories digested by the body.*
- **Enhance Digestion:** Lipase and Protease are necessary enzymes responsible for breaking down fats and proteins.* These enzymes are included in this formula to optimize the digestion of foods.*
- **Support Metabolism:** Chromium Picolinate helps to promote healthy metabolism of carbohydrates and fats in the body.* This formula also supplies a concentrated extract of Cinnamon.

When combined with a healthy reduced calorie diet and exercise plan†, Maximum Strength 3-in-1 Carb Blocker® provides a targeted approach to help you achieve your weight loss goals.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional
