

Ginza-Plus® combines five of the most highly prized adaptogens in the world.* Russian scientists coined the term "adaptogen" to describe a special group of botanicals that increase the body's resistance to physical, mental and environmental stressors.* Adaptogens have a broad influence on the entire body and, among their many properties, have the capacity to balance body functions and support body systems affected by stress.*

The key ingredient in Ginza-Plus® is a highly concentrated extract of ginseng root. Ginseng is traditionally used as a revitalizing tonic for the body and is one of the very best botanicals for increasing feelings of energy and improving mental and physical performance overall, especially under stressful conditions.*

Ginza-Plus® is specially designed to promote general health and well-being, and is especially suited for individuals who feel depleted due to overwork, excess stress and inadequate rest.* It can be used daily for overall support or as needed during times of stress.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. This product contains ingredients that may affect blood pressure and/or heart conditions. Check with your doctor before using this product and engaging in activity, if you are using medication or have any medical conditions, including heart disease or high/low blood pressure. Do not exceed 90 days of continuous use of this product without a two (2) week break. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
