

MRM's Veggie Protein is an all natural vegetarian super food complex designed to meet protein needs. Each ingredient was chosen for its ability to deliver maximum nutrient concentrations while providing a smooth pleasant taste. The Pro-Veggie Blend features a complete amino acid profile through a specific combination of pea protein isolate, organic hemp protein powder, organic brown rice protein concentrate, chia seed powder and flax seed powder. To assist with protein and fiber digestion, **MRM** has added a precise blend of digestive enzymes to minimize the occurrence and discomfort from gas and bloating.** Completing the formula, **MRM's Veggie Protein** includes a HIGH ORAC ANTIOXIDANT blend concentrated from 13 different Non-GMO fruits and vegetables. Research has proven that blueberries, cherries, bilberries, broccoli, spinach (to name a few) contain potent antioxidant nutrients to support optimal health and wellness.**
