

Suggested Use:

As a dietary supplement, take 1 serving (1.5 grams or about half a teaspoon) immediately prior to a workout/athletic event and 1 serving immediately after. On non-training days, take 1 serving upon waking and 1 serving prior to sleep.

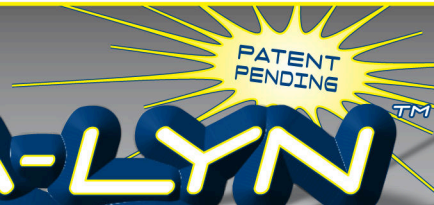

SCI•FIT'S® GLUTA-LYN 1500™ features patent pending GlutaLean®, a pH buffered glutamine which is proven to absorb 100% into the bloodstream. **GLUTA-LYN 1500™** is engineered with the same technology as **SCI•FIT'S®** incredibly effective **Kre-Alkayn 1500®**. As **SCI•FIT®** revolutionized the fitness and nutrition world with the advent of **Kre-Alkayn 1500®**, we will take it that much further with **GLUTA-LYN 1500™**. With the patent pending pH buffered rapid absorption and stability technology, each serving is equivalent to at least 7.5 grams of traditional glutamine powder! **SCI•FIT®** continues its' world renown mission of allowing the fitness/health enthusiast to take far less product while experiencing even more explosive results!*
