*In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blends for six weeks experienced significant improvements in serum levels of certain key nutrients compared to a placebo and a basic multivitamin formula based upon multivariate statistical analyses of a group of B vitamins (thiamin, niacin, riboflavin, pantothenic acid, biotin, folic acid and vitamins B-6 and B-12) and key antioxidants and carotenoids (a group of beta-carotene, alpha-tocopherol, selenium, lutein and lycopene). Statistical improvements in SF-36 Vitality and Mental Health scores were also observed compared to placebo.

30 PACKS

NEW!

GNC

WOMEN'S ULTRA MEGA® 50 Plus

Achieve your daily nutritional goals with customized ingredients plus multivitamins that have more antioxidant power than ever, contain over 30 clinically studied ingredients – and are smaller and easier to swallow.

✓ Women's Health

Contains a clinically studied women's multivitamin formula shown to work better than a basic multivitamin.*

✓ Antioxidants

Helps protect against harmful free radicals that can destroy healthy cells and promote the cell aging process.*

✓ Memory Support

Includes choline to support memory function and ginkgo biloba to support mental sharpness.*

✓ Heart Health

Has EPA, which is important for cardiovascular and circulatory health and promotes healthy cholesterol and triglyceride levels.*

✓ Bone Health

Features MBP®, which is clinically studied to support the body's natural ability to build and maintain healthy bones.*
