

Take Your Workouts to a New Level with the Next Generation Pre-Workout Formula!*

DARK RAGE™ sets a new scientific standard of pre-workout supplementation with exclusive EPO Blood Doping Technology™ and an amazingly powerful combination of advanced, next generation ingredients designed to take your workouts to an entirely new level of intensity, increased strength, extreme muscle growth, incredible anabolic muscle pumps and fast recovery!

Get ready for a completely new workout experience as you feel the power of DARK RAGE. Within seconds of drinking DARK RAGE, psychotropic factors and ergogenic energizers kick in to elicit an intense feeling of heightened euphoria and focus. When you enter the gym, you will feel the adrenaline pulsing out of your adrenal glands as the euphoria turns into a feeling of intensity, aggression and rage. You'll grab that iron barbell with total confidence and command as you begin an animalistic assault on your body for the best workout of your life. From your very first rep, you will feel DARK RAGE's EPO Blood Doping Technology force more blood through your hemovascular nitric oxide induced garden hose veins. A surge of raw power is triggered by the most advanced creatine matrix and cell volumizers allowing you to lift more weight than ever before. Not only are you stronger, but your muscles are fueled and prepared to work harder and longer and fight through fatigue with beta-alanine and pH buffering co-factors so you can push yourself further.

DARK RAGE isn't for everyone...it's for those who are prepared to experience something powerful, for those who are willing to push themselves to a place they have never been before and where few will ever travel...it's for those who are prepared to enter a state of extreme intensity, power and pumps known as a "DARK RAGE"™!
