***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

Directions: For adults, take one (1) to four (4) tablets daily, preferably on an empty stomach.

L-Taurine, one of 20 amino acids (protein building blocks), is the most abundant free amino acid in the cardiac and skeletal muscle, platelets and the developing central nervous system. L-Taurine can also be found in the brain, retina of the eyes and the skeleton. Among its many functions, L-Taurine plays a role in the anabolic processes in the muscle, supporting muscle function.*

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
