

Oolong & Matcha Tea are prized in Asian cultures for their health-promoting properties.* This Oolong & Matcha Tea formula combines four distinct varieties of tea, plus key botanicals from Traditional Chinese Medicine, to kick-start a healthy lifestyle.*

■ **High-Powered Teas:** All tea — green tea, white tea, black tea, etc. — comes from the same plant, *Camellia sinensis*. Each variety of tea undergoes a unique processing technique that brings out its distinct nutritional profile. This formula combines four powerful teas that supply a wide spectrum of phyto-nutrients to support overall health and well-being.*

■ **Proprietary Asian Herbal Blend:** This formula includes some of the most revered botanicals from the East, including Asian Ginseng, Astragalus, White Peony and Schisandra, plus Brown Kelp — which is often used in weight management formulas.*

■ **† Thermogenic & Antioxidant Formula:** EGCG is one of the most powerful antioxidants found in nature.* The combined EGCG content of the teas in combination with natural caffeine, while not literally “melting” fat off the body, has been shown to boost thermogenesis and burn calories.*

For optimum weight loss results, use this product in conjunction with a reduced calorie diet and exercise plan.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels* provide an optimum delivery system.

Quality Assurance - Irwin Naturals™ is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - BioPerine® further enhances the bioavailability, absorption and potency of many nutrients.

Usage Warnings: Do not use if safety seal is broken. This product contains caffeine and may affect blood pressure and/or heart conditions. Check with your doctor before using this product if you are using medication or have any medical conditions, including heart disease, high blood pressure, an iron deficiency, a liver disorder or develop symptoms of liver trouble (such as abdominal pain, dark urine or jaundice). It is recommended to limit additional caffeine intake while taking this product. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
