

How's Your Diet?

Whole foods are far and away the best source of nutrition for the body. Yet the modern lifestyle makes it extremely challenging to eat a well-balanced diet that provides the nutrients that our bodies require on a daily basis. In fact, a large and growing percentage of Americans have become overfed yet undernourished – which means that many of us are lacking sufficient nutrients, despite our bulging waistlines.

Nutrient-Dense Moringa

Supplementing your current diet with Mighty Moringa® is an easy and convenient way to improve your nutritional status.* Moringa is one of the most highly nutritious food sources on the planet! The powdered leaves of the Moringa tree supply a wealth of vital nutrients that can help fill the nutritional gaps in your diet... and more!

Omega Superfoods

This formula delivers superfood oils, including: hemp seed oil, chia seed oil, avocado oil and coconut oil.* These oils are the foundation of our Liquid Soft-Gel technology and contribute powerful nutritional support in combination with Moringa.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.
