

Imagine getting the benefit of a whole growing season in one tablet

The 100% organic; non-GMO nutrient-rich plants grown on Natural Factors farms are harvested at their peak and immediately raw processed at our own facilities, using our proprietary **EnviroSimplex®** method to retain the vital bioenergetic vitamins, minerals, enzymes, phytonutrients, and antioxidants.

We ensure the processing temperature always stays below 118°F. The end result is raw nutrition from whole plants, **capturing all the vibrant energy and goodness of nature.**

Even when you grow certified organic non-GMO plants, **it's important to verify that there are no GMOs or other contaminants present.** We excel at making sure that every possible test has been conducted to ensure you receive the safest, most beneficial products possible.

Factors Farms

At Natural Factors state of the art laboratories, we use **“mass spectrometry”** to test for over 400 substances. Mass spectrometry can test at the molecular – even atomic – level, detecting environmental pollutants such as pesticides, herbicides, and fungicides, as well as heavy metals and other undesirable substances.

Suggested usage: 2 tablets 3 times per day or as directed by a health professional. Keep out of the reach of children.

This synergistic formula contains natural, scientifically proven ingredients that support bone mineral density, and the development and maintenance of bones, cartilage, teeth, and gums.* Calcium intake, when combined with sufficient vitamin D, a healthy diet and regular exercise, may reduce the risk of developing osteoporosis.*

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy proteins, corn, egg, fish, shellfish, animal products, salt, tree nuts or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
