## Supplement Facts

Serving Size 1 Veggie Capsule

|                                                                                                                                                                                                       | Amount<br>Per Serving | % Daily<br>Value |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|------------------|
| <b>Live Probiotics</b>                                                                                                                                                                                | 30 Billion CFUs       | *                |
| <i>providing: Lactobacillus rhamnosus, L. casei,<br/>L. acidophilus, L. plantarum, L. bulgaricus,<br/>L. salivarius, Bifidobacterium bifidum,<br/>Streptococcus thermophilus, B. longum, B. breve</i> |                       |                  |
| Fructo-oligosaccharides<br>(FOS)                                                                                                                                                                      | 300 mg                | *                |

\* Daily Value not established.

**Other ingredients:** Vegetable capsule (hypromellose, gellan gum), cellulose, magnesium stearate, silica.

**Contains:** Milk.

**Does not contain:** Corn, Wheat, Gluten, Sugar, Soy, Citrus, Fish, Preservatives, Artificial Colors or Flavors.

STORE IN A COOL, DRY PLACE.  
KEEP OUT OF REACH OF CHILDREN.

TAMPER EVIDENT  
Do not use if outer seal is broken or missing.

**DIRECTIONS:** As a dietary supplement, take one (1) veggie capsule daily, preferably with a meal.

**WARNING:** Consult your healthcare provider prior to use if you are pregnant, nursing, taking any medication or have any medical conditions.

Probiotics are beneficial bacteria that normally inhabit the intestinal tract. Ultimate 10 Probiotic<sup>TM</sup> combines ten (10) strains to help support a healthy balance of probiotics. A healthy balance of probiotics can help support digestive and immune health, and help re-colonize the good bacteria after antibiotic use.▼
