

FOCUS***THERMO-LIPO INCINERATOR*****ENERGY***

SUGGESTED USE: As a dietary supplement take 1 capsule on an empty stomach to assess tolerance due to extreme potency. After assessing tolerance you may take an additional 1 capsule 6-8 hours later on an empty stomach, if needed. Do not use this product longer than 8 weeks followed by a break for 2 weeks. Do not exceed 2 capsules in a 24hr period.

WARNING: Not recommended for use by minors. Do not use if pregnant or nursing. Too much caffeine may cause nervousness, irritability, sleeplessness and occasional rapid heartbeat. Do not exceed suggested serving. Individuals who consume caffeine with this product may experience serious adverse health effects. Individuals who are sensitive to the effects of caffeine should consult a licensed health care professional before consuming this product. In case of accidental overdose, seek professional assistance or contact a poison control center immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath or other similar symptoms. Avoid alcohol and foods with tyramine (such as cheese, red wine and liver) while taking this product. Improper use of this product may be hazardous to a person's health. Exceeding recommended serving will not improve results.

CAUTION: DO NOT USE THIS PRODUCT IF YOU HAVE A MEDICAL CONDITION.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent disease.
