Directions: For adults, take one (1) softgel daily, preferably with a meal.

A provitamin is a substance that can be converted to an active vitamin in the body. Beta-Carotene is a provitamin of A, and is readily converted into Vitamin A as needed by your body. Beta-Carotene also supports the immune system with potent antioxidant properties.* Antioxidants help fight cell-damaging free radicals in the body, which can lead to oxidative stress and contribute to the premature aging of cells.*

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
