

Make no mistake --NEW BANG® MASTER BLASTER™

is not your stereotypical life-sucking / muscle destroying pre-workout "concentrate". The very definition of BANG® screams scientific BREAKTHROUGH! Infused with Patented water-stable SUPER CREATINE® -- BANG® triggered a major PARADIGM SHIFT among the performance and bodybuilding authorities and has now become the most disruptive scientific innovation in the 30-year history of Sports Nutrition! In a very short period, BANG beverage has risen to the top; consequently, generating unrelenting consumer demand for the BANG® MASTER BLASTER™ pre-workout.

BANG® MASTER BLASTER™ is designed around the Patented Super Creatine-Amino acid di-Peptide that is far more soluble than regular Creatine and L-Leucine. Furthermore, the NEW BANG® MASTER BLASTER™ pre-workout contains massive doses of clean performance-enhancing and bodybuilding ingredients designed to work in concert with SUPER CREATINE®. All ingredients are fully disclosed on the label because we are proud that BANG® MASTER BLASTER™ is the most potent, best tasting pre-workout supplement in history!

Caution: Do not use this product if you are pregnant or nursing. Do not consume this product if you are taking any prescription drug and/or have any medical condition. The user of this product assumes all liability if this product is used in a manner not consistent with label guidelines. This product contains caffeine and should not be used with any other caffeine containing products. This product is intended for use by healthy individuals only over 18 years of age.
