Yerba Prima

Yerba Prima

Your body is equipped with a sophisticated detoxification system, but in today's chemical world, toxins can enter the body faster than it can eliminate them.

Bentonite + Herbal Detox's powerful ingredients boost both phases of detoxification—this reduces toxic load, boosts energy and immunity, enhances digestion, even helps clear the skin.*

Bentonite + Herbal Detox also supports male and female sexual health by helping remove harmful estrogens from the body.*

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SAFETY SEALED: Do not use this product if printed band around cap or seal under cap is broken or missing.

CAUTION: Do not take capsules if you have difficulty in swallowing. Do not use if pregnant. If you are taking medication or are under a doctor's care, consult a health professional before use. Keep out of the reach of children. California residents only: Proposition 65 **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
