PROBIOTIC SUPERFOOD SMOOTHIE MIX LUSCIOUS LUCUMA BAOBAB

Organic Traditions® Probiotic Superfood Smoothie Mix is a powerful combination of Certified Organic cold milled chia and flax seeds, hemp hearts, lucuma, baobab, acacia, ginger powder extract as well as beneficial probiotics. Incredible gluten free super seeds, chia, flax and hemp provide a source of fiber, vitamins, minerals, antioxidants and beneficial plant-based Omega-3. These mild, nutty seeds are a fast and simple way to enhance your daily diet with an extra boost of dense superfood nutrition. Enjoy balanced nutrition along with 5 billion beneficial probiotics per 1 tbsp. serving for optimal digestive health.* The premium probiotic strain *Bacillus coagulans* unique IS-2 has excellent survivability, stability, safety and efficacy. It survives stomach acidity, does not require refrigeration and can be added to both hot and cold drinks and recipes. The addition of Acacia Gum prebiotic fiber makes this an all-in-one pre and probiotic superfood blend known as a synbiotic. There are no fillers, additives, preservatives, colors or cane sugar. The concept is simple: delicious and nourishing superfoods. Enhance your favorite smoothie recipe or add to water, coconut water, juice, coffee, tea, shakes, yogurt, cereal, oatmeal, porridge, berries, pudding, apple sauce, pancakes, breads, baked goods, salads, soups, wraps, stir-fry, quinoa, rice and pasta dishes, raw superfood desserts and more!

Organic Nutrition From Around The World

At Organic Traditions we provide nutrient dense superfoods from many healing traditions. We are committed to supporting farmers who are dedicated to the principles of sustainable and fair trade agriculture. Now more than ever we need to nourish ourselves with superfoods, herbs, seeds and fruits packed with the nutrition needed to support the challenges that come with living in a fast paced world. Be adventurous. These superfoods are versatile. Incorporate them into recipes in any creative way you see fit. At every meal you have the opportunity to choose dense nutrition. Food is powerful. Make choices for a better you and a better planet.
