Directions: For adults, take two (2) capsules daily, preferably with a meal.

Green Tea is a nutritional staple in Japan where it has been used for centuries for its beneficial properties. The polyphenols within Green Tea are believed to be primarily responsible for the herb's ability to support heart and prostate health.* Our Green Tea extract is standardized for 80% Polyphenols, one of the active constituents in this herb. Polyphenols such as EGCG are antioxidants that help fight against cell-damaging free radicals in the body.* By scientifically isolating active constituents, we ensure that they remain at consistent concentration levels with each dose.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
