Joint health is affected by many factors including heredity, gender, sports activities and weight. Joint Maintenance Softgels contain the same joint support ingredients used in top joint formulas.* Our formula provides key structural components in cartilage and plays a role in supporting joint cartilage.* Joint Maintenance Softgels also contain Manganese, a mineral necessary for normal skeletal development.* Joint Maintenance Softgels are an excellent choice for those seeking first-rate joint support supplementation.*

Individual results may vary.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
