|                                                                                      |        |    |
|--------------------------------------------------------------------------------------|--------|----|
| Royal Jelly                                                                          | 500 mg | ** |
| *(from 152 mg of Royal Jelly concentrate, equivalent to 500 mg of fresh Royal Jelly) |        |    |

\*\*Daily Value not established.

**Other Ingredients:** Soybean Oil, Gelatin, Vegetable Glycerin, Soy Lecithin, Yellow Beeswax.

**No Gluten, No Yeast, No Wheat,  
No Milk or Milk Derivatives, No Lactose,  
No Egg, No Grapefruit, No Fish,  
No Sweetener, No Sugar, No Preservatives,  
No Artificial Color, No Artificial Flavor,  
No Sodium.**

**Directions:** For adults, take one (1) softgel three times daily, preferably with meals.

Royal Jelly is a highly complex substance secreted from the glands of nursing bees and fed to the larvae destined to be queens. Royal Jelly contains the natural factor, 10-Hydroxy-2-Decenoic Acid (10-HDA), one of the most important components of Royal Jelly.

Harvested and freeze dried within 48 hours (solvent free).

Assayed to contain 10-HDA (possibly the most important factor found in Royal Jelly).

Hermetically sealed in softgels to further enhance stability.

**WARNING:** If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Avoid this product if you are allergic to bees or bee products. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
