***These statements have not been evaluated by
the FDA. This product is not intended to
diagnose, treat, cure or prevent any disease.**

WARNING: If you are pregnant, nursing, taking any medications or have
any medical condition, consult your doctor before use. Discontinue use
and consult your doctor if any adverse reactions occur. Keep out of reach
of children. Store at room temperature. Do not use if seal under cap is
broken or missing.

Directions: For adults, take two (2) tablets daily,
preferably with a meal.

Calcium is the primary mineral responsible
for strong bones.* The body also uses
Calcium for proper muscle contraction and
nerve function.* Vitamin D assists in
maintaining a healthy immune system.*
Because the body cannot produce
Calcium, a balanced diet, regular exercise,
healthy lifestyle choices and adequate
intake of Calcium and Vitamin D can play a
role in maintaining bone health.*

Just two tablets of Calcium 600 plus
Vitamin D give you the support of 120% of
the Daily Value for Calcium. We include
Vitamin D to aid the absorption of this
essential mineral.*

**Adequate Calcium and Vitamin D as part of a
healthful diet, along with physical activity, may reduce
the risk of osteoporosis in later life.
