*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take two (2) softgels two times daily, preferably with meals.

Omega-3 fatty acids are considered one of the "good" fats important for cellular, cardiovascular and metabolic health.* But getting an adequate amount of fatty acids to support cardio health is not easy - especially in today's fast food world.* Salmon Oil contains eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help support and maintain the health of your cardiovascular system.*

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. See nutrition information for total fat and cholesterol content.

Our Salmon Oil contains 2,000 mg per serving of the finest Salmon Oil available.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.

Purified to eliminate mercury.
