Ginkgo Biloba supports peripheral
circulation to the arms, legs and brain.* In
addition, Ginkgo helps improve memory,
especially occasional mild memory problems
associated with aging.* Our Ginkgo Biloba
extract is standardized for 24% Ginkgo
Flavone Glycosides, the active constituent in
this herb. Ginkgo Flavone Glycosides are
antioxidants that help fight against cell-
damaging free radicals in the body.* By
scientifically isolating active constituents,
we ensure that they remain at consistent
concentration levels with each dose.
